

### **Regional Establishment Winners 2016**

**Crowne Plaza Aberdeen Airport, Skeabost Country House and Village the Hotel Club amongst the Regional Winners of the Scottish Hotel Awards 2016.**

Establishments from nine different regions of Scotland have been recognised for their excellence by Scotland's leading hotel awards.

Since 2003 the Scottish Hotel Awards is a unique annual scheme created to encourage, recognise and reward hospitality excellence in Scotland. Member hotels are carefully assessed throughout the year by industry specialists and the whole process culminates in an exciting gala evening when the national establishment and people of excellence winners as well as grand awards winners are announced.

On 24 April 2016 the national People of Excellence winners will be announced at 5.30pm, followed by all establishment and grand awards during the Gala Dinner, hosted by Arlene Stuart.
